

Squirrel Nutkin's Scavenger Hunt

Keep your little bunnies entertained with a Peter Rabbit inspired scavenger hunt.

You will need:

- A glue stick
- A hole punch
- Scissors
- String
- A pencil
- Colouring pens or paints
- A4 paper
- Coloured card

Step by step:

- Fold your paper in half and cut down the middle
- Create cards using the A4 paper and coloured pens, taking inspiration from the stories of Peter Rabbit and friends. Include items you'll see on your nature walk such as:
 - 'Please find some water for Mr. Jeremy Fisher'
 - 'Find something prickly like Mrs. Tiggy-winkle'
 - 'Look for a fir-tree and you might see Flopsy, Mopsy, Cotton-tail and Peter'

Try and create cards using items that you're likely to encounter on your nature walk

- Glue the A4 paper on the back of coloured card
- Use the reverse sides of the coloured cards for extra questions that will engage your little one's senses such as:
 - Put your bare feet on the grass
 - Close your eyes – what can you hear?
 - Find something yellow
- Hole punch the cards together in the top corner and use a thread to tie them all together
- Now you have your very own nature hunting cards for Squirrel Nutkin's scavenger hunt!

Adult supervision required when using scissors
